Narrative

A second increase in funding is needed for FRN 1799101364 (see Appeal #131352 for first request). In addition to the \$83,899.29 requested through appeal #131352, we are asking that you increase FRN 1799101364 by an additional \$21,618.50 due to unexpected costs that arose as this work was being completed. The increase of \$21,618.50 in funding is needed to cross the Rock River. Attached change orders (8-9) detail what makes up this increased costs.

We are asking that the pre-discount costs on FRN 1799101364 be increased to \$1,805,215.79 (assuming that appeal #131352 is approved).

Please let me know if further detail is needed to get this funding increased.
